### Jesus' Master Plan

1. The Father wants His \_\_\_\_\_ back – everyone!
2. He sent \_\_\_\_\_ to restore the whole thing.
3. Jesus invites us to join His mission in the \_\_\_\_\_.
4. Any \_\_\_\_\_ without Christ IS the mission field.
5. As we are called until Him and receive Him, God restores us to our true \_\_\_\_\_, \_\_\_\_\_ and \_\_\_\_\_.

**Take notes below about your true identity, value and purpose.**

**Your True Identity**      1 John 3:1

**Your True Value**      Luke 12:32

**Your True Purpose**      John 4:35

**What is one thing that is holding you back from sharing the love of Jesus with others that you can begin praying about and ask God to help you overcome it?**

### Let's Clear Up Misconceptions

☐ **True or** ☐ **False:** As Christians, it is OUR mission to Disciple others, and Jesus will join us when we ask Him.

☐ **True or** ☐ **False:** It's possible for every Christ follower to become a Disciple regardless of their past history.

**Complete the sentence.** God \_\_\_\_\_ (will or will not) send us out to do something we cannot do.

**Choose the best answer.** How does Jesus ask us to Disciple others?

1. Quote scripture to strangers.
2. Correct unbelievers when they are sinning.
3. Go be His best "salesperson."
4. Love people through our words and actions.

☐ **True or** ☐ **False:** You need to be a Bible scholar to properly Disciple others.

**Choose the best answer.** As Jesus uses us to build His church, our job is to...?

1. Pray and be the mouthpiece.
2. Plant and water – only Jesus grows.
3. Be patient and allow God to work in His perfect timing.
4. All of the above.

### Get on the same page with Jesus!

- WE are not Jesus - we are Jesus followers.
- Saving, restoring and uplifting is HIS job, not yours.
- We don't go FOR Jesus. We go WITH Him, not before Him.
- Our Discipling work is simple - to come along side others. Jesus does HIS work by loving people through us.
